Re: Drilling and Soil Sampling
at Sauget Landfill,
Sauget, Illinois

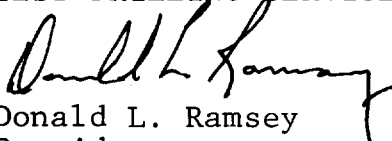

Dear Mr. St. John:

As of this date, Test Drilling Service Company has sold all of its test drilling rigs and equipment. Therefore, we will no longer be able to perform the work for the referenced project. We hope you will be understanding of our decision in these difficult economic times.

Also, we hope this will not inconvenience you in your decision of a drilling contractor. Thank you for requesting the proposal from Test Drilling Service Company. Perhaps we can be of service to you some time in the future.

With best regards,

TEST DRILLING SERVICE COMPANY
